5.0 ACTION ITEMS

5.1 Community Membership – City of Salisbury Information

At this stage no eligible names have been received. A possible solution would be to advertise in the paper.

6.0 AIRPORT UPDATE

6.1 Parafield Airport Limited Report – tabled with no items requiring to be noted

6.2 Property and Development and Land Use Report - Report tabled with the following noted;

Ken May provided further comment on the DPTI Chief Executive approval of the new 4 way signalised intersection on Main North Road aligned with Kesters Road, which occurred in September 2012 and ahead of the submission of the draft Airport Master Plan to the Federal Minister, but after the public consultation period in mid-2012.

This approval may not have been directly communicated to the City of Salisbury by DPTI / PAL therefore, however Ken affirmed the intent of PAL to fully consult with Council on the intersection detailed design to coincide with new development, and noting current interest in this respect this could occur in the near future. This was in acknowledgement to comments made in the City of Salisbury Report to the PACC.

6.3 Environment Report - Report tabled with the following noted;

Chris Griffiths referred to the Environment Report and acknowledged the department on receiving Level 1 Airports Council International Carbon Accreditation for Parafield and Adelaide Airport.
