29/03/17	Name Withheld Lives in Parafield Gardens near The Pines shops on Andrew Smith Drive	Letter to the editor newspaper article	Noise pollution and safety letter to the editor.	Receipt of email from City of Salisbury and advised that it is being referred on.
13/04/17	John McLaren, Mawson Lakes	Email	Request to Chair PACC re reviewing email to recipients re noise pollution and advice that Airservices Australia has replaced Aircraft Noise Information Reports with online reporting. Methods to lodge a complaint to Airservices Australia were provided. In order to streamline any noise related issues raised by the surrounding Parafield Airport Residents, they feel it would be helpful for the Northern Weekly Messenger to contact the responsible Airservices Australia representative. However, if the Resident is not satisfied with the answer from Airservices Australia, the Aircraft Noise Ombudsman then it can be requested to investigate and report back to the PACC and the concerned Resident. By implementing this process, the Northern Weekly Messenger can then report to all its readers on a 3 monthly basis noise issues raised, solutions achieved and next steps to be taken.
